

# Rhode Island Heating and Cooling Program Participating Contractor List

This list is provided as confirmation that these contractors have been HVAC Check trained in proper airflow and charge protocols through the Rhode Island Heating and Cooling program, helping to ensure that your equipment operates according to manufacturer's specifications.

Not seeing your contractor who has been recently trained? Please contact us directly at 844.615.8315 or HVAC@CLEAResult.com and we can verify if they are internally listed prior to any installation to ensure eligibility for the RI 2023 Enhanced Rebates.

**Rhode Island Energy does not endorse or warrant the performance of installed or serviced equipment, or the business practices of these contractors, either expressly or implicitly. Rhode Island Energy makes no warranties or representation of any kind regarding the services provided by these contractors.**
